

Actuator for V-MIX valves

Actuator for V-MIX ST 10/230 valves

Code	EAN13
6098300	5902273509714

Product usage:

For use in central heating systems

Type:

Actuators

Technical data/Operating parameters:

- rotation angle: 90°
- power supply voltage: 230V-50Hz
- protection class: 2
- valve opened for: 2 minutes
- max. ambient temperature: 50°C
- torque: 10Nm

Guarantee:

2-year

Used materials:

adapter, blocker, connection cable 1m

Finish:

-
